Rockquest:

Ukuladies:

A ukulele group open to anyone who is keen. **Practice time:** Fridays at interval.

What we want to achieve from the programme is for our students to:

- enjoy performing music and have a positive performance experience;
- grow aesthetically through a variety of musical experiences;
- realise their full potential;
- develop their personal identity and relationships with others through individual and group participation in music;
- progress and develop perceptual abilities, skills and musical understanding; and
- improve each time they perform.

We have lessons available on the following instruments:

Voice	Violin	Trumpet
Guitar	Viola	Trombone
Flute	Cello	Euphonium
Oboe	Double bass	Drums
Clarinet	All Saxophones	

Each lesson is half an hour long and will be in small groups of three or four students. The school operates a 6-day timetable, therefore girls only miss each subject every sixth week. There are also time slots available during morning tea and lunch. Lessons are \$40.00 a year (that's approximately \$1.00 a week). This covers photocopying, etc.

There is an expectation that all students who take instrumental lessons **participate in a New Plymouth Girls' High School musical group**. This enables the department to grow and allows students to gain confidence and skills through performance.
